CONFERENCE AND EVENTS

Line Table

Our Line Table range is a versatile table system focusing on an efficient set up and breakdown, whilst still maintaining a contemporary aesthetic and addressing some of the key challenges of operating in the demanding conference and events sector, such as product durability and storage.
The range is available in four shapes (rectangular, classroom, trapezoid and half-round), which offers flexibility to create multiple layouts such as boardroom, u-shapes or workshop. The different options ensure that there is always a flexible solution for your set up.

CONFERENCE AND EVENTS

Line Table

The Line table range is available in two sizes – 1800 mm and 1500 mm – and in three different shapes – rectangular, classroom and trapezoid – to create various configurations that can be built to suit any specific needs.

The Line range consisted in five different elements including table tops, legs, modesty panels (optional), cable management (optional) and trolleys (mandatory).

Our Line Table tops are made from HPL with a durable Reef edge and our table legs are available in complementary colours. Our standard top comes as Erable and Black (B01).
